Decisions

At the same meeting, following the adoption of resolution 584 (1986), the President made the following statement:¹⁰

"In connection with the resolution just adopted on the renewal of the mandate of the United Nations Disengagement Observer Force, I have been authorized to make the following complementary statement on behalf of the Security Council:

"As is known, the report of the Secretary-General on the United Nations Disengagement Observer Force,⁹ states, in paragraph 25: "Despite the present quiet in the Israel-Syria sector, the situation in the Middle East as a whole continues to be potentially dangerous and is likely to remain so, unless and until a comprehensive settlement covering all aspects of the Middle East problem can be reached." That statement of the Secretary-General reflects the view of the Security Council."

In a letter dated 2 June 1986,¹¹ the Secretary-General informed the President of the Council of his intention, subject to the usual consultation, to appoint Major-General Gustaf Welin of Sweden to replace Major-General Gustav Hägglund of Finland as Commander of the United Nations Disengagement Observer Force. The President, after consultations with the members of the Council, addressed the following reply to the Secretary-General:¹²

"I have the honour to inform you that your letter dated 2 June 1986¹¹ concerning your intention of appointing Major-General Gustaf Welin of Sweden as Commander of the United Nations Disengagement Observer Force has been brought to the attention of the members of the Security Council. They considered the matter in informal consultations held on 5 June and agreed with the proposal contained in your letter."

On 6 June 1986, following consultations, the President of the Council issued the following statement¹³ on behalf of the members of the Council:

"The members of the Security Council are gravely concerned at the continuing intensification of the fighting in Beirut, especially in and around the Palestinian refugee camps, with its high toll of casualties and material destruction.

"The members of the Security Council appeal to all concerned to use their influence in bringing about the cessation of the fighting in order to enable the United Nations Relief and Works Agency for Palestine Refugees in the Near East as well as other humanitarian organizations to mount emergency operations for the benefit of the populations concerned, including the Palestinian refugees towards whom the international community has a particular responsibility.

"They reaffirm that the sovereignty, independence and territorial integrity of Lebanon must be respected.
